

REQUEST FOR EXPRESSION OF INTEREST
**CONSULTANCY SERVICES FOR “THE DESIGN AND SUPERVISION OF THE
REPLACEMENT OF 16 KILOMETRES OF WATER MAINS AND UPGRADE OF
EQUIPMENT AT PUMPING FACILITIES”**

EIB/BWA/3.2b/2021/01

BARBADOS WATER INFRASTRUCTURE REHABILITATION PROJECT

GOVERNMENT OF BARBADOS

(Revised October 29, 2021, see page 2)

(Revised November 5, 2021, see page 3, revised submission date November 15, 2021)

(Revised November 5, 2021, see page 1, estimated budget for consulting fees added)

The Government of Barbados (GOB) (hereinafter referred to as “the Borrower”) has received a loan from the European Investment Bank – EIB (hereinafter referred to as “the Bank”) – towards the cost of the Barbados Water Infrastructure Rehabilitation Project. The GOB, through its executing agency the Barbados Water Authority (BWA), now requests Expressions of Interests from companies interested in providing consulting services to produce designs and provide construction supervision services, for the replacement of potable water mains and upgrade of equipment at the Bridgetown Sewage Treatment Plants and three pumping facilities of the BWA.

Specific areas of work include the production of designs, specifications, and tender documents, as well as contract administration and construction supervision of works for:

- a. the replacement of 16 Km of potable water mains to be carried out by a contracting firm. Services shall include the preparation of Bill of Quantities and material lists for procurement of pipes and fittings.
- b. the upgrade of equipment at the Bridgetown Wastewater Treatment Plant and;
- c. the installation of gantry cranes at three pumping station facilities for the Barbados Water Authority (BWA)

This contract is expected to be implemented from March 2022 to June 2024.

The estimated budget for the consulting fees is USD 1,205,025.00

The tender procedure will be conducted in accordance with the Guide to Procurement for Projects Financed by the EIB (GtP), accessed via the following website.

<https://www.eib.org/en/publications/guide-to-procurement>

Interested consulting firms must provide the below information, listed in decreasing order of importance, to establish their competence in performing the services required:

- a. Technical capacity - general: Experience as a consulting firm contracted for services for at least five (5) years and specifically, experience as a consultant for design and/or supervision of water and/or wastewater infrastructure in the last three (3) years.

- b. Technical capacity - personnel: permanent staff of at least four (4) engineers and four (4) technicians over the past three years (2018, 2019, 2020) with the appropriate skills and experience including:
 - i. The ability to successfully manage civil engineering projects of this nature.
 - ii. Experience in the design, of hydraulic distribution networks and projects of this nature.
 - iii. Experience in construction management and the ability to successfully oversee projects of this nature.
 - iv. Experience in Quantity Surveying with the ability to develop budgets, bills of quantities and track and control costs.

At this stage it is not necessary to provide CVs

- c. Technical capacity - contract references:
 - c.1) Successful completion within the eight (8) years prior to the submission deadline of at least two (2) service contracts for the supervision of water supply and/or sewage works with an individual contract amount of at least 500,000 USD.

 - c.2) Successful completion within the eight (8) years prior to the submission deadline of at least three (3) service contracts for the design of water supply and/or sewage works and preparation of the relevant tender documents with an individual contract amount of at least 500,000 USD. At least one of the contracts must be for the design of water supply works of at least 5km in length.
 - Please provide a certificate of completion for each contract.
 - The references can be part of combined or separated contracts.

 - c.3) The candidate should have carried out the services requested at points c1) and c2) above as Single Consultant or Lead Consultant in an Association/Consortium/Joint Venture
- d. Financial resources: The candidate should have a minimum average turnover of 1,000,000 USD in the last 3 years (2018, 2019, and 2020).

In case more than six companies or consortia satisfy the above criteria, the ranking will be based on the number of references under c1) and c2) and the best six will be shortlisted.

Interested companies must also complete and submit the following forms, samples of which are attached hereto as appendices of Annex 1:

- a. Applicant Identification form,
- b. Covenant of Integrity (GtP 3.6 Annex 3). **(Added at Appendix – October 29, 2021)**
- c. Environmental and Social Covenant (GtP 3.8)

All firms are invited to participate in the tender. Reference should be made to section 1.2 of the GtP, with respect to eligibility. Reference should also be made to GtP 3.7.5 with respect to language of the Tender. English is the preferred language.

One (1) electronic copy of the Expression of Interest must be received at the first address below **no later than 4:00 pm AST, November 15, 2021**. The electronic submission should include the name and address of the applicant and shall be clearly marked” **Expression of Interest - Consultancy Services for The Design and Supervision of the Replacement of 16 Kilometres of Water Mains and Upgrade of Equipment at Pumping Facilities” - EIB/BWA/3.2b/2021/01**

Following the assessment of submissions, a short-list of not less than three and not more than six applicants will be provided with the full terms of reference and invited to submit technical and financial proposals to undertake the assignment.

Evaluation criteria is as indicated below:

CRITERA		MAXIMUM SCORE
1.0	Criteria 1 - General	
	General background of the consulting firm, including staff, turnover and years in business.	20
2.0	Criteria 2 - Firm general experience and technical competence	
	Experience of similar projects undertaken in the preparation of detailed designs and specifications, and provision of construction supervision services.	40
3.0	Criteria 3 - Staff Experience	
	Candidates must be suitably qualified and have a minimum of five (5) years’ experience, with participation as a consultant in a role that is similar to the proposed consulting services within the last five (5) years.	30
4.0	Criteria 4 - Experience with monitoring Environmental and Social Impacts of projects	
	Experience with monitoring the environmental and social impacts of projects during the execution phase.	10
	Total	100

The Government of Barbados reserves the right to accept or reject late applications or to cancel the present invitation partially or in its entirety. It will not be bound to assign any reason for not short-listing or engaging any applicant and will not defray any costs incurred by any applicant in the preparation and submission of the Expressions of Interest.

⁵ In case of consortia or joint ventures, to be filled in by all participating entities.

Appendix 2 to ANNEX 1

COVENANT OF INTEGRITY'S TEMPLATE (GtP 3.6 Annex 3).

“We declare and covenant that neither we nor anyone, including any of our directors, employees, agents, joint venture partners or sub-contractors, where these exist, acting on our behalf with due authority or with our knowledge or consent, or facilitated by us, has engaged, or will engage, in any Prohibited Conduct (as defined below) in connection with the tendering process or in the execution or supply of any works, goods or services for [specify the contract or tender invitation] (the “Contract”) and covenant to so inform you if any instance of any such Prohibited Conduct shall come to the attention of any person in our organisation having responsibility for ensuring compliance with this Covenant.

We shall, for the duration of the tender process and, if we are successful in our tender, for the duration of the Contract, appoint and maintain in office an officer, who shall be a person reasonably satisfactory to you and to whom you shall have full and immediate access, having the duty, and the necessary powers, to ensure compliance with this Covenant.

We declare and covenant that neither we nor anyone, including any of our directors, employees, agents, joint venture partners or sub-contractors, where these exist, acting on our behalf with due authority or with our knowledge or consent, or facilitated by us, (i) is listed or otherwise subject to EU/UN Sanctions and (ii) in connection with the execution or supply of any works, goods or services for the Contract, will act in contravention of EU/UN Sanctions. We covenant to so inform you if any instance shall come to the attention of any person in our organisation having responsibility for ensuring compliance with this Covenant.

If (i) we have been, or any such director, employee, agent or joint venture partner, where this exists, acting as aforesaid has been, convicted in any court or sanctioned by any authority of any offence involving a Prohibited Conduct in connection with any tendering process or provision of works, goods or services during the five years immediately preceding the date of this Covenant, or (ii) any such director, employee, agent or a representative of a joint venture partner, where this exists, has been dismissed or has resigned from any employment on the grounds of being implicated in any Prohibited Conduct, or (iii) we have been, or any of our directors, employees, agents or joint venture partners, where these exist, acting as aforesaid has been excluded or otherwise sanctioned by the EU Institutions or any major Multi-lateral Development Bank (including World Bank Group, African Development Bank, Asian Development Bank, European Bank for Reconstruction and Development, European Investment Bank or Inter-American Development Bank) from participation in a tendering procedure on the grounds of Prohibited Conduct, we give details of that conviction, dismissal or resignation, or exclusion below, together with details of the measures that we have taken, or shall take, to ensure that neither this company nor any of our directors, employees or agents commits any Prohibited Conduct in connection with the Contract [give details if necessary].

We acknowledge that if we are subject to an exclusion decision by the European Investment Bank (EIB), we will not be eligible to be awarded a contract to be financed by the EIB.

We grant [indicate the name of the Project Promoter], the European Investment Bank and auditors appointed by either of them, as well as any authority or European Union institution or body having competence under European Union law, the right to inspect and copy our books and records and those of all our sub-contractors under the Contract. We accept to preserve these books and records generally in accordance with applicable law but in any case for at least six years from the date of tender submission and in the event we are awarded the Contract, at least six years from the date of substantial performance of the Contract.” European Investment Bank Guide to Procurement September 2018 38 For the purpose of this Covenant, Prohibited Conduct has the meaning provided in the EIB’s Anti-Fraud Policy¹⁸.

Note: This Covenant must be sent to the Bank together with the contract in the case of an international procurement procedure (as defined in article 3.3.2). In other cases, it must be kept by the promoter and available upon request from the Bank.

Appendix 3 to ANNEX 1

ENVIRONMENTAL AND SOCIAL COVENANT TEMPLATE (GtP 3.8)

We, the undersigned, commit to comply with – and ensuring that all of our sub-contractors comply with – all labour laws and regulations applicable in the country of implementation of the contract, as well as all national legislation and regulations and any obligation in the relevant international conventions and multilateral agreements on environment applicable in the country of implementation of the contract.

Labour standards. We further commit to the principles of the eight Core ILO standards¹⁹ pertaining to: child labour, forced labour, non-discrimination and freedom of association and the right to collective bargaining. We will (i) pay rates of wages and benefits and observe conditions of work (including hours of work and days of rest) which are not lower than those established for the trade or industry where the work is carried out; and (ii) keep complete and accurate records of employment of workers at the site.

Workers relations. We therefore commit to developing and implementing a Human Resources Policy and Procedures applicable to all workers employed for the project in line with Standard 8 of the EIB's Environmental and Social Handbook. We will regularly monitor and report on its application to *[insert name of the Contracting Authority]* as well as on any corrective measures periodically deemed necessary.

Occupational and Public Health, Safety and Security. We commit to (i) complying with all applicable health and safety at work laws in the country of implementation of the contract; (ii) developing and implementing the necessary health and safety management plans and systems, in accordance with the measures defined in the Project's Environmental and Social Management Plan (ESMP) and the ILO Guidelines on occupational safety and management systems²⁰; (iii) providing workers employed for the project access to adequate, safe and hygienic facilities as well as living quarters in line with the provisions of Standard 9 of the EIB's Environmental and Social Handbook for workers living on-site; and (iv) using security management arrangements that are consistent with international human rights standards and principles, if such arrangements are required for the project.

Protection of the Environment. We commit to taking all reasonable steps to protect the environment on and off the site and to limit the nuisance to people and property resulting from pollution, noise, traffic and other outcomes of the operations. To this end, emissions, surface discharges and effluent from our activities will comply with the limits, specifications or stipulations as defined in *[insert name of the relevant document]*²¹ and the international and national legislation and regulations applicable in the country of implementation of the contract.

Environmental and social performance. We commit to (i) submitting *[insert periodicity as indicated in the tender documents]* environmental and social monitoring reports to *[insert name of the Contracting Authority]*; and (ii) complying with the measures assigned to us as set forth in the environmental permits *[insert name of the relevant document if applicable]*²² and any corrective or preventative actions set forth in the annual environmental and social monitoring report. To this end, we will develop and implement an Environmental and Social Management

System commensurate to the size and complexity of the Contract and provide *[insert name of the Contracting Authority]* with the details of the (i) plans and procedures, (ii) roles and responsibilities and (iii) relevant monitoring and review reports.

We hereby declare that our tender price as offered for this contract includes all costs related to our environmental and social performance obligations as part of this contract. We commit to (i) reassessing, in consultation with *[insert name of the Contracting Authority]*, any changes to the project design that may potentially cause negative environmental or social impacts; (ii) providing *[insert name of the Contracting Authority]* with a written notice and in a timely manner of any unanticipated environmental or social risks or impacts that arise during the execution of the contract and the implementation of the project previously not taken into account; and (iii) in consultation with *[insert name of the Contracting Authority]*, adjusting environmental and social monitoring and mitigation measures as necessary to assure compliance with our environmental and social obligations.

Environmental and social staff. We shall facilitate the contracting authority's ongoing monitoring and supervision of our compliance with the environmental and social obligations described above. For this purpose, we shall appoint and maintain in office until the completion of the contract an Environmental and Social Management Team (scaled to the size and complexity of the Contract) that shall be reasonably satisfactory to the Contracting Authority and to whom the Contracting Authority shall have full and immediate access, having the duty and the necessary powers to ensure compliance with this Environmental and Social Covenant. We accord the Contracting Authority and the EIB and auditors appointed by either of them, the right of inspection of all our accounts, records, electronic data and documents related to the environmental and social aspects of the current contract, as well as all those of our subcontractors.
