

Barbados Water Authority

Vacancy Technical Assistant

The Government of Barbados has entered into a Loan Agreement with the Corporación Andina de Fomento (CAF) and the European Investment Bank (EIB) for the Barbados Water Infrastructure Rehabilitation Project (the Project) to be executed by the Barbados Water Authority (BWA).

The BWA is seeking to recruit a suitably qualified, experienced, multi-disciplined, focused and energetic individual for the temporary post of **Technical Assistant** for the above Project.

The Technical Assistant will report to the Project Engineer for the Project and be assigned exclusively to the Project.

Prospective candidates should have a minimum of the following qualifications:

- An Associate Degree in Engineering or an Ordinary Technician's Diploma with no less than four (4) years of experience working in major capital projects.

The full Terms of Reference can be viewed on the Barbados Water Authority's website at www.barbadoswaterauthority.com.

Applications with full curriculum details should be emailed to projectoffice@bwa.gov.bb and addressed to:

**The Project Manager
Project Management Office
Barbados Water Authority
Pine Commercial Estate
The Pine
St. Michael**

The subject line should state: "**Vacancy – Technical Assistant**"

The closing date for receipt of applications is **August 4, 2021**.
